

## **Environmental Friendly CD Policy Announcement**

As the trend of global environmental protection and CipherLab's "green" concepts, it is our responsibility to save the world and reduce waste. CipherLab has announced the new CD policy as below:

1. Start from April 1<sup>st</sup>, 2015, CD will not be included in the package of all CipherLab's products.
2. All the CD contents of products will be available on CipherLab's CCS system (Go Between). And these contents can be accessed and downloaded from CCS system.

Please refer to below for the link to download & install "Go Between Client " or " connect by using Web Browsers":

<http://ccs.cipherlab.com/>

3. During special occasion when CD is needed ,CD order can be issued and CipherLab will ship the CD with finished goods

If there is any question, please contact CipherLab sales representatives and supporting staffs.

Best Regards,  
PM Department
